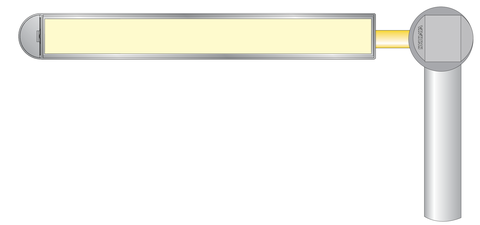
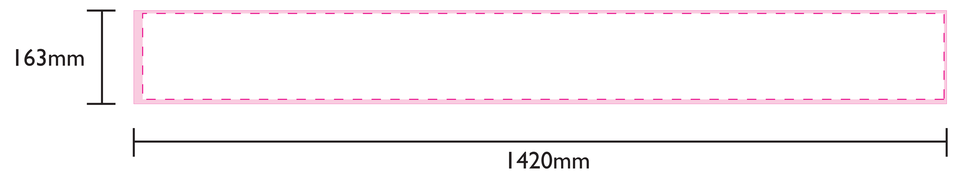
Fax: 020 7233 9222

Scale = 100%

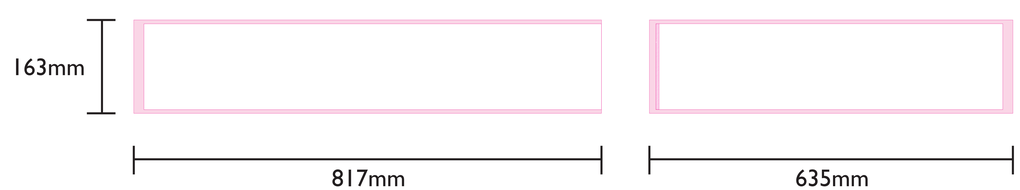
Dotted line shows optimum visual area
Solid area shows bleed



Straight Barrier



Split Barrier



The car park will have a Straight and/or Split Barrier so please supply artwork that can work for either.
*Text can be spread across the Split barrier to increase size - but do not split words across the gap.

Artwork Guidelines

Files can be received on:
CD
DVD
*ftp
email

Please supply all artwork on this template in Illustrator CS4 format (Ai, EPS or High-Res PDF) using the correct layer and allow **25mm bleed** outside of the magenta guide lines.

All fonts should be **converted to outlines.**

Bitmap images should be in **CMYK** and be at least **80dpi** at final size for optimum image quality.

For more information please see http://www.ambersignsuk.co.uk
